Schedule Notes:

Jamboree week is October 21st for ALL Midgets and ALL Pee wees that wish to participate.

Jamboree sites count as a home game and are TBA at a later date.

Schedule was worked, this year, with each association, which asked for 2, getting 2 home dates, and trying to keep travel distances in mind. Keeping your teams together was vigorously attempted, whenever possible. Our South Division is very geographically challenging!

Good Luck ☺
