Schedule Notes:

Jamboree week is October 18th for ALL Midgets and ALL Pee wees that wish to participate. Jamboree sites count as a home game and are TBA at a later date. There are 86 YMCA Pop Warner teams and scheduling was very difficult.

Schedule was worked, this year, trying to keep travel distances in mind. Keeping your teams together was vigorously attempted, but not always possible. **All games must be played as scheduled, as no changes may be made once the schedule has been completed.** Our South Division is very geographically challenging!
